HOT ITEM

## Nanopresso Elements

SPECIAL EDITION The Essential In Life

CASE INCLUDED

## Barista Kit

For Double Espresso & Cafe Lungo ACCESSORY

The Barista Kit is a full set of accessories packed in a small container. It expands the Nanopresso capabilities by giving you the possibility to prepare double espresso (16 grams of ground coffee) and Cafe Lungo up to 120ml.

### CHARACTERISTICS

Dimension	150x62x62 mm	5.90x2.44x2.44 in
Weight	270 g	0.60 lbs
Remark	The Barista Kit can only be used with Nanopresso	

## NS Adapter

For Coffee Capsules ACCESSORY

The NS Adapter allows the Nanopresso to use Nespresso®\* small size capsules. The advantage of using capsules is that the coffee is mechanically ground, measured, and tamped with a higher precision than we are capable of doing by hand. There is very little left for error.

\* Nespresso® is a third-party brand that has no connection with Wacaco Company Limited.

### CHARACTERISTICS

Dimension	66x62x62 mm	2.60x2.44x2.44 in
Weight	130 g	0.29 lbs
Remark	NS Adapter can only be used on Nanopresso	

## DG Kit

COFFEE KIT FOR DG PODS ACCESSORY

The DG Kit allows the Nanopresso to use DG CAPSULES\* to prepare espresso and other coffee drinks like latte, cappuccino, macchiato... The advantage of using those capsules is that there is a wide variety of drinks available and they are very easy to prepare. There is very little left for error, so your beverage is delicious every single time.

\* Third-party brand with no link to Wacaco Company Limited.

### CHARACTERISTICS

Dimension	163x66x66 mm	6.4x2.6x2.6 in
Weight	214 g	0.47 lbs
Water capacity	140 ml	4.75 fl oz
Remark	DG Kit is an accessory and it can only be used on the Nanopresso	

NEW

## Nanopresso Cases

Durable Protection ACCESSORY

Nanopresso Case is made of durable EVA material and soft fabric interior lining. It is specially designed to fit around the Nanopresso. The case helps protect from any bumps, scratches and dust.

### CHARACTERISTICS

Weight L-CASE	90 g	0.18 lb
Dimension M-CASE	190x77x72 mm	7.49x3.05x2.85 in
Weight M-CASE	80 g	0.18 lb
Dimension S-CASE	185x77x72 mm	7.23x3.05x2.85 in
Weight S-CASE	75 g	0.17 lb
Other	Built-in attachment loop for carabiner.	

# minipresso

GR

GROUND COFFEE  
CREAMY ESPRESSO FOR ALL

Minipresso GR is a good choice to savor all the varieties of ground coffee and enjoy an authentic espresso wherever you are. Compact, lightweight and sturdy, Minipresso will make you smile when you get the first drip of espresso from this little coffee bullet.

CHARACTERISTICS

Dimension	175x70x60 mm	6.89x2.75x2.36 in
Weight	360 g	0.8 lb
Water capacity	70 ml	2.35 fl oz
Ground capacity	8 g	0.28 oz
Average pressure	8 bar	116 psi

## Minipresso Case

Durable Protection ACCESSORY

Minipresso Case is made of durable EVA material and soft fabric interior lining. It is specially designed to fit around the Minipresso GR or NS and helps protect it from any bumps, scratches and dust. With the addition of the Minipresso Case be ready for your next big adventure.

## Minipresso Kit

Multi-purpose ACCESSORY

Minipresso Kit is a combination of a larger water tank and three additional Minipresso GR filter baskets with caps. The filter baskets, filled with ground coffee, can be stored inside the large water tank. It's an easy way to carry all you need to prepare espresso shots for you and your friends during a long day hike.

# Coffee Mat

Rubber Pad ACCESSORY

Compact and functional, the Wacaco Coffee Mat is the perfect companion to Wacaco portables coffee machines. Multi-purpose (drying mat, tamping mat, preparation mat, hot trivet...), it will quickly become an essential tool of your coffee gear. Made of food-grade silicone, it's completely odorless.

CHARACTERISTICS

Pad Dimension	250x176x8 mm	9.85x6.92x0.3 in
Weight	255 g	0.56 lb
Materials	100% silicon	
Color	Grey	

# minipresso

NS

ENCAPSULATED  
CONSISTENT ESPRESSO

Minipresso NS is a good choice to quickly and efficiently enjoy delicious espresso wherever you are. Compatible with NS capsules\*, in which the coffee is ground, measured, tamped with high precision, there is very little left for error.

\* NS CAPSULES refers to Nespresso®\*\* Original capsules and compatibles.  
Note that some non Original capsules might not work well with our machines.  
\*\* Third-party brand with no link to Wacaco Company Limited.

CHARACTERISTICS

Dimension	175x70x60 mm	6.89x2.75x2.36 in
Weight	350 g	0.78 lb
Water capacity	70 ml	2.35 fl oz
Compatible	NS capsules*	
Average pressure	8 bar	116 psi

## Minipresso Tank+

For Cafe Lungo ACCESSORY

Minipresso Tank+ is a larger water container fully compatible with Minipresso GR or NS. Put in place of the standard water tank, it allows you to prepare longer espresso (100ml).

# Barista Towel

Barista Towels Pack ACCESSORY

These clothes are perfect for taking care of your portable espresso machine. They work best dry or slightly damp and will help to keep your coffee equipment and accessories clean. Perfect sized as preparation pad they help absorbing any water or coffee spillage. The set contains 2 black cloths.

CHARACTERISTICS

owel Dimension	280x280mm	11x11 in
Materials	85% Polyester, 15% Nylon	
Other	Machine washable
